

## INTEROFFICE CORRESPONDENCE

DATE: October 12, 1994

TO: Distribution

FROM:  D. S. Brown, Environmental Operations Management, Bldg. 080, X8745

SUBJECT: PERMANENT SUSPENSION OF READINESS REVIEW 94/002: ENVIRONMENTAL MONITORING STATIONS - DSB-032-94

DOE Order: 5481.1B

Action: None required.

There has been no activity on the Environmental Restoration Program Division (ERPD) Readiness Review 94/002, Environmental Monitoring Stations (Surface Water Division) since a May 15 team meeting for review of draft 0/b of the proposed Checklist.

In accordance with 2-G21-ER-EDM-18.03, readiness review activities for this project are permanently suspended. Project management will be required to re-initiate the review process if and when the project is reactivated.
